this volume approaches the word of faith as a worldview and analyses the movement through n t wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the word of faith the reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the word of faith interprets reality and engages with the world the analysis shows that there is a narrative core to word of faith beliefs in the form of a unique theological story with focus set on the present restoration of eden s authority and blessings this study demonstrates how the word of faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and eden s perfection the findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts pentecostalism

why do worldviews matter what characterizes a christian worldview part of being a thoughtful christian means being able to understand and express the christian worldview as well as developing an awareness of the variety of worldviews well organized clearly written and featuring aids for learning this is the essential text for either the classroom or for self study

the contemporary dutch broadcasting system is impossible to categorize according to standard models of broadcasting systems it crosses the boundaries of public and private non profit and for profit neutral and value laden and secular and religious this book explains the origins of this unequivocally unique pluralistic system the dutch broadcasting system is also one of many other pluralist social economic and political structures that were created in the netherlands between 1917 and the 1970s this book is the first in depth analysis of the ways that ideological and religious worldviews influenced both the struggle to shape dutch broadcasting between 1919 and 1930 and the structural pluralistic contours of the final system and policy co published with institute for christian studies isc

a diverse group of writers and scholars follow the lead of noted folklorist barre toelken and consider from the inside the ways in which varied cultures in the american west understand and express their relations to the world around them as barre toelken puts it in the dynamics of folklore worldview refers to the manner in which a culture sees and expresses its relation to the world around it in worldviews and the american west seventeen notable authors and scholars employing diverse approaches and styles apply toelken s ideas about worldview to the american west while the contributors represent a range of voices methods and visions they are integrated through their focus on the theme of worldview in one region worldviews and the american west includes essays by margaret k brady hal cannon nora marks dauenhauer and richard dauenhauer james s griffith barry lopez robert mccarl elliott oring twilo scofield steve siporin kim stafford c w sullivan iii jeannie b thomas george venn george b wasson and william a wilson each of the authors in this collection attempts to get inside one or more of the worldviews of the many cultures that have come to share and interpret the american west the result is a lively mix of styles and voices as the authors own worldviews interact with the multiple perspectives of the diverse peoples and in barry lopez s the language of animals other species of the west this diversity matches the geography of the region they all call home and gives varied life and meaning to its physical and cultural landscape

in this companion volume to the universe next door james w sire offers his refined definition of a worldview and addresses key questions about the history of worldview thinking the existential and intellectual formation of worldviews the public and private dimensions of worldviews and how worldview thinking can help us navigate an increasingly pluralistic universe

this book investigates the concept of worldview in its numerous aspects and how worldviews impact shape and influence individuals communities societies and cultures it explores various worldviews religious spiritual and secular using a comprehensive approach to highlight their breadth depth and scope john valk argues that everyone has a worldview and that worldview is often shaped and influenced by individual circumstances and situations while worldviews have similar structures to one another they vary in content including differences in metanarratives teachings ethics and more in the course of explaining how worldviews respond to life s ultimate and existential challenges the book poses ontological questions to highlight various world views on the nature of being and

the human and epistemological questions pertaining to sources of knowledge and certainty inviting readers to reflect on their own worldviews as they explore the worldviews of others walk also reveals how certain universal worldview beliefs are interpreted in particular contexts

offers a sympathetic explanation of the worldview of the church of jesus christ of latter day saints lds and gives some understanding of how the lds worldview acts as a new way of interpreting christianity by challenging christian orthodoxy presents the church s worldview in its own terms looking at sources the lds conception of time and the stages of humanity the lds worldview s implicit critique of catholics and protestants and the concept of cyclical history there is also material on church offices and organization family life and blacks and the priesthood author information is not given c book news inc

this volume brings together philosophers and theologians to explore connections between stein and scheler s work arguing that reading these philosophers together is essential for understanding their historical significance and contemporary impact

what do aliens dinosaurs and gay marriage have in common they are all part of the culture war a war between two worldviews one view is based on a biblical understanding of history the other on pure naturalism our educational institutions and the media are on the frontlines of evolutionizing our culture from biology 101 to world history from the learning channel to sponge bob subtle and not so subtle evolutionary messages bombard us we witness the battles and skirmishes of this war in our schools our courts and our homes all around us are casualties of the warfare christians taken captive by an evolutionary philosophy the idea of the big bang and millions of years has duped many christians and its effects include a deficient gospel and subjective morality how are we to respond when we hear of the latest argument for evolution how can we prepare our children to face the evolutionary indoctrination of our public schools and universities what are we to make of christian organizations who teach the big bang and millions of years how can we build a truly biblical worldview in this powerful book you will find ammunition for the war answers to some of the most common arguments for evolution analyses of christian compromise positions and a call for return to the true biblical authority

oscar kawagley is a man of two worlds walking the sometimes bewildering line between traditional yupiaq culture and the westernized yupiaq life of today in this study kawagley follows both memories of his yupiaq grandmother who raised him with the stories of the bear woman and respectful knowledge of the reciprocity of nature and his own education in science as it is taught in western schools kawagley is a man who hears the elders voices in alaska and knows how to look for the weather and to use the land and its creatures with the most delicate care in a call to unite the two parts of his own and modern yupiaq history kawagley proposes a way of teaching that incorporates all ways of knowing available in yupiaq and western science book jacket

this world is a battlefield in the arena of ideas the prize is the heart and mind of humankind in this book ronald nash outlines the christian way of looking at god self and the world he holds that worldview up against the tests of reason logic and experience particularly discussing the problems of evil and the alleged nonsense of the historic christian doctrines and of jesus incarnation and resurrection he finds the christian worldview sound and urges christians to equip

themselves intellectually to defend the faith on that battlefield he particularly hits the attractions to our generation of naturalism and the new age movement pointing out their weaknesses and pitfalls as well as those of older worldviews christian theism he writes is a system that commends itself to the whole person but he stresses that a great difference exists between belief that and belief in

how do we come by our worldviews and philosophies what impact did christianity have on the worldviews that are common to western civilization why you think the way you do traces the development of the worldviews that underpin the western world professor and historian glenn s sunshine demonstrates the decisive impact that the growth of christianity had in transforming the outlook of pagan roman culture into one that based on biblical concepts of humanity and its relationship with god established virtually all the positive aspects of western civilization the two pronged assault in our time on the biblically based worldview by postmodern philosophy and the writings of neo atheists has made it even more crucial that we acknowledge and defend its historical roots this authoritative accessible survey discusses western worldviews as a continuous narrative rather than as simply a catalogue of ideas why you think the way you do traces the effects that changes in worldview had on society helps you understand your own worldview and those of other people helps you recognize the ways that your worldview philosophies beliefs and presuppositions affect the way you think about everything

how do geographers worldviews interact with the discipline of geography in geography and worldview the editors begin by mapping two approaches to studying the intersection of science and religious belief an approach that asks what consequences scientists basic beliefs have on scientific research and one that extrapolates implications of their research essays using both approaches appear in this volume creating a well balanced collection with a variety of perspectives from established scholars in geography

updated throughout and with three entirely new chapters worldviews an introduction to the history and philosophy of science second edition furthers its reputation as the definitive introductory text on the historical developments and philosophical issues that inform our scientific view of the world around us represents an innovative introduction to the history and philosophy of science designed especially for those coming to the subject for the first time updated new edition features the addition of chapters focusing on scientific laws evolutionary theory and implications of evolution covers the key historical developments and philosophical themes that have impacted our scientific view of the world around us analyzes the transitions from the aristotelian worldview to the newtonian worldview to a new and currently developing worldview explores challenges to the western scientific worldview brought on by recent discoveries

smart embarks on a worldwide tour of traditional religions and secular ideologies he explores in a detailed and detached manner all the major religions buddhism christianity hinduism islam and judaism he also discusses ideologies nationalism marxism democracy secular humanism which often rival religion and in an important sense are themselves religious smart emphasizes the importance of approaching the various worldviews with an open mind dust jacket

in the violent world of radical extremists the enemy of my enemy is my friend this study reveals how that precept plays out in the unexpected bonding between

militant islam and the extreme right in america and europe it provides an insightful and sane look at the possibilities for collaboration between these groups
